Report to AGM

2014/2015

Buzzards Scout troop has 35 Scouts (29 Boys, 6 Girls)

Over the past year the Scouts have had the opportunity to take part in many activities including, Face Painting, Campfires, Axe and Saw training, electronics and many, many more.

The Scouts have also visited Aldershot raceway to watch Stock Car and Banger racing.

Camps through the year started with the Summer camp 2014 to WINGS in Windsor Great Park, this event was attended by over 6000 scouts and guides from around the world and gave the scouts a fantastic opportunity to meet many new people and experience a fantastic range of activities. The start of 2015 saw Scouts attend the Sub Zero camp the test their skills against the cold, in April 14 Scouts spent 4 days at Youlbury Scout activity center camping in Hammocks and enjoying activities including 3G Swing, High all a board, Archery and Crate Stacking.

Thanks need to go to Gavin Kinsman (ASL) who has put a large amount of his personal time into achieving his hillwalking and climb permits to allow the Scouts to take part in ever more exciting and challenging activities. The section has also welcomed Conal Watterson and Hannah Fairhead who have now finished as Young Leaders and have continued to assist with the running of the section now they are over 18.

The end on the summer term this year will see Buzzards scouts join Merlins for the summer camp to Snowdonia in North Wales, this should be a fantastic week for all attending.
